

# MIXED DOUBLES LEAGUES

There will be a Mixed Doubles League for PPA Rules & International Rules formed for the 2024/2025 Winter season providing we have sufficient entries to enable it to work. All relevant rules within the Constitution will apply to both Leagues with the additional proposed rules purely for these Leagues as outlined below: -

1. Matches to be played on a Sunday or Monday evening. Both Captains MUST agree on the night to play.
2. Matches to start at 19:30 promptly
3. Format will be Scotch Doubles and a 'Race to 5'.
4. No cancellations of any matches accepted. If the fixture cannot be completed then the opposing Team will automatically receive 5pts.
5. All players MUST be registered with the relevant Leagues PPA and/or IR to be eligible to play in each League.
6. No 50% rules will apply to any mixed double's fixtures.
7. Male & Female teams only and they don't need to be from the same Team/League etc
8. If more than 1 division is required then teams will be drawn out by the committee to form each division.
